The description of facts should include a specific explanation of how, where, and when each of the defendants named in the caption violated the law, and how you were harmed. Each paragraph must be numbered separately, beginning with number 7. Please write each single set of circumstances in a separately numbered paragraph.

7. The reason for this claim is due

to the facts that Attorney Stuart  
 Johnson have not only did fraudulent  
 activities and I will explain on  
 September 21-2018 I slip n. fell  
 at a gas station/convenience store  
 over a chipped up ledge that the  
 store fell to six we went to conciliation  
 court and I won but the Judge  
 told me to ask that we go to  
 District Court so that I may get  
 more money for my injuries that  
 I endured at Handy Stop ever since  
 this case I have been discriminated  
 by Attorney Johnson and his clients  
 when I fell in the store the  
 three employees that was there  
 told everyone in the store  
 when I fell and broke my ankle  
 in there store they said (the  
 employees told every one to  
 do not call the police or the ambulance  
 for her let her call her family  
 to come pick her up and take

her to the hospital

I was with at the time my granddaughter who at that time was 16 years old who was so afraid because no one was helping me so she called her mom my oldest daughter who was in Vegas at the time celebrating her husband's birthday while I was lying on the floor screaming and begging for someone to please help me that my daughter Ta'keila Smith was on facetime screaming at the employees to help the mom and for them to call the police and the ambulance and they refused that you hear me in the video <sup>giving</sup> ~~for~~ my granddaughter

Keasha Daniels my ex boyfriend number so that he can help me. At that time my granddaughter had call an Uber for my ex boyfriend to come get in my truck and drive me to the hospital now I have been lying on this floor with everyone in the store following orders from the employees of not calling the police or ambulance I was in so much pain that I had a bowel movement on myself I was on the floor for about 45 minutes

Now a african american man came in and said what is going on why do you all have this lady someones mother, grandmother, cousin and aunts lying on this floor screaming in so much pain he asked me for my car keys I and my grand daughter pointed to my truck he pulled my truck up to the door and picked me up now my ex boyfriend was there in the Uber so the gentlemen put me in the passenger side while my ex took me to the hospital the employees were Arabic or some different type of nationality but they treated me worse than anything I ever seen in my life. I know I might be all over the place but I am doing my best this case have been going on for almost 3 years Attorney Johnson and Judge Sullivan have been taking advantage of the fact that I suffer from mental health when I first start rep myself Attorney Johnson and Judge Susan Berk told me that I could not do what Attorney Johnson can do meaning I could not do any depositions on Attorney Johnson Clients then I did not understand why

I could not because I was representing myself after that I contacted The lawyer Responsibility Board and also The Judicial Board and they both told me that was not true if I am representing myself I have the same rights as Attorney ~~Johnson~~ Johnson then it was a conflict of interest with Judge Susan Bork and myself so she step down then I had Judge Mary Vasley then she retired so she stepped down now I had hired this Attorney by the name of Will Walker and I found out that he was working against me by working with Attorney Johnson by drawing up fraudulent emails from my medical assistance MA and UCare they both submitted these fraudulent emails to Judge Bridget Sullivan. I contacted and also have an audio from my medical assistance stating that I do not have no ~~lien~~ on my name because Attorney Johnson and Walker was claiming I had a lien on my name which was a lie medical assistance and UCare specifically told me that they do not send emails because of privacy they told me they never emailed Attorney Walker or Attorney Johnson everything comes through the mail so I tried everything in my power to contact Judge Sullivan

and wrote her and her Clerk Kirk Knenson  
to tell them that both attorney's  
violated Minnesota rules 3.4 and 8.4  
Judge Sullivan ignored me she canceled  
my Zoom that I had made with her  
then ~~and~~ I had try on numerous Occasion  
to speak with this Judge and she refused  
to hear me out so I asked her to  
step down off my case because she  
have been treating like she don't like  
blacks so when we recently had a Zoom  
for me to ask her to step down off  
my case In June or I believe the  
end of May. Well I never recieved  
a letter from Judge Bridget Sullivan  
stating if she did or did not step down  
from my case until July 16, 2021 when  
I recieved this letter from Attorney  
Johnson asking for a Renewed motions  
for Summary Judgement and That was  
very confusing for me because how can  
this Attorney Johnson get any type of  
letter when I never recieve my letter if  
she stepped down now I call's and email  
the Judge Clerk Kirk he emails me on  
July 19, 2021 stating he forgot to mail me  
the letter for the court date for November

but yet I still have not received any  
thing saying if this Judge Sullivan  
stepped down this is my case I  
brought Hardy stop to court how do  
this Attorney keep getting away with  
breaking Minnesota rules I can explain  
better on the phone I have over 100  
emails pertaining to this case I need  
your help I am being discriminated  
by the color of my skin and my  
mental health Please help me all  
I want is Justice I don't like being  
Judge because I am black.
